SPECIFICATIONS & FEATURES

Material

Ash Veneer on solid and engineered wood.

Finish

A sleek black case accented by front panels in a natural tone with a subtle white glaze for added contrast.

Fabrication and Case Construction

Mortise and Tenon Joinery solid back panel inserted and secured with screws.

Drawer Pulls

Sleek recessed grooved drawer pulls, seamlessly finished in black to blend with the case for a cohesive look.

Drawer Construction

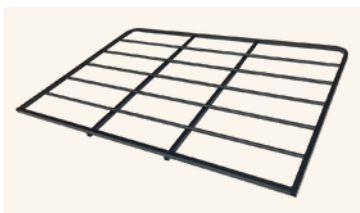

Box construction with double drawer fronts, English Dovetail Joinery, and corner blocked.

Side Mounted Ball-Bearing Glides

Heavy-duty 3/4 extension side mounted ball-bearing glides for smooth drawer operation, reducing friction, noise, and wear for extended durability.

SPECIFICATIONS & FEATURES

Bed Platforms

Constructed from fully welded steel with a slatted design to provide uniform mattress support, prevent sagging, and allow airflow for improved ventilation and moisture control.

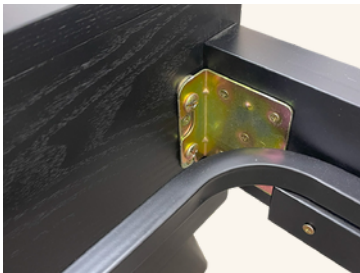

Box Spring

Designed for use without a box spring.

Platform Center Support Legs

Full and Queen-size beds include four center support legs for added stability.

Headboard & Footboard Rail Connectors

Designed with heavy-duty steel hook-on connectors, for secure attachment and easy assembly.

Side Rails

Blending craftsmanship with strength, the side rails feature a solid wood exterior for natural beauty, reinforced by steel supports and a steel platform. This combination is engineered to support up to 1,500 lbs., ensuring lasting durability.

PELHAM SERIES

- Clean with non-abrasive detergent
- 5-year limited warranty
- Assembled in the USA
- Complies with ASTM F2057-23 Anti-tipping Safety Standards
