

Individual and Group Lounge Chair

The Summit Lounge Chair is designed to stand alone or be arranged in groups. The ergonomic design provides maximum comfort using rotational molding technology.

Features:

- Durable, one piece, rotationally molded design for maximum strength. Constructed of high impact "no break" polyethylene. No steel or wood components
- Can be easily filled with sandbags through optional ballast door and secures with tamper resistant screws. Factory sand ballasting optional. Call Cortech
- Sound dampening
- Easy to clean, sanitize & maintain
- Passes Flammability UL 94 HB
- Tested to ISO 22196 showing a >99% reduction in bacteria
- Infused with CORx Antibacterial
- Green Guard Certified
- Lifetime Warranty against manufacturing defects

Individual and Group Lounge Chair

The Summit Veldura Lounge Chair is designed to stand alone or be used in groups. The Veldura finish provides the user with a soft and calming seating surface. Our patent pending process accomplishes this exceptional feel without compromising durability or cleaning. The Veldura finish also provides a visual contrast between seat base and seating surface area.

Features:

- Durable, one piece, rotationally molded design for maximum strength. Constructed of high impact "no break" polyethylene. No steel or wood components
- Can be easily filled with sandbags through optional ballast door and secures with tamper resistant screws. Factory sand ballasting optional. Call Cortech
